

Memorial Day Sponsorship

Memorial Day is a time of somber reflection to honor the ultimate sacrifice of our military and veterans. For those who have died and are interred at the VA National Cemetery of Arizona, we offer a moving tribute over Memorial Day weekend. It begins with flag placements at the internment sites (more than 95,000) on Saturday morning, followed by the Memorial Day Program on Monday morning. It ends with the retrieval of flags throughout the week and the following Saturday, rolling up flags and storing as many as possible for use the following year. Your support and volunteerism for these events greatly benefits our military and veterans. We thank you for honoring their service to our country.
